Login
Type the following address: http://webpop.clearchannel.com

Username: your email address (ex: janesmith@clearchannel.com)
Password: setpass (default password, on the first successful login the system will prompt to change password for security)

Permission Set
Access to the application is set based on the login credentials.
If access is given for more than one entity, this drop down will be active; otherwise it will be inactive.
If active, select a permission set and the “Switch Permissions” button. The screen will refresh and the search fields will populate accordingly.

Location Details and POP Forms
Select the “+” button next to the segment to see location specific details.

Select the Adobe Reader© icon ( ) next to the segment to view the Clear Channel location list and the photo page(s).

Please contact Trisha Dall if you have questions: trishadall@clearchannel.com
